Te Hīkoi a Rūaumoko

Rūaumoko's Walk

Anei tētahi pakiwaitata hei whakaaraara i ngā mokopuna
ki ngā tohu ohoohe ki tēnei mea te ngaru taitoko.

Mea ka nui te rū (kei te uaua te tū);
mea rānei ka roa (kotahi meneti, neke atu rānei);
ā, e tata ana koe ki te takutai,
me haere koe ki te whenua teitei ki tuawhenua rānei.

This is a story that teaches children about natural warning signs of tsunami.

If you feel a strong earthquake (it's hard to stand up);
or a long earthquake (that lasts for a minute or more);
and you are near the coast,
then get to higher ground or go inland, quickly.

All of Hawke's Bay coastline is at risk from tsunami.
To find out about tsunami evacuation zones visit
www.hbhazards.co.nz or ring your local council.

Nā Rawiri Andrews rāua ko James Graham.
Nā Dena Aroha Bach ngā whakaahua.

REALISING MĀORI POTENTIAL

Kei te āio te ao o Rangi e tū iho nei.
Kei te āio te ao o Papatūānuku e takoto nei.
Kei te āio ngā ao o ngā atua katoa...
tae atu ki te ao o Rūaumoko.

*Ranginui, the sky, is peaceful.
Papatūānuku, the earth, is peaceful.
Even their child, Rūaumoko, is calm.*

Kei te moe a Rūaumoko.
Kei te au tana moe.
Pārekareka ana!

Rūaumoko is sleeping sweetly.

Kātahi aia ka oho,
ka whārōrō i ōna waewae,
ka matika,
ka taiaroa,
ka tū.
Engari ka tīmata tana hīkoi,
ka rū te whenua.

Eventually Rūaumoko wakes up.
He straightens his legs.
He sits up.
He yawns
and stretches his whole body.
He starts to walk ...
and the earth starts to shake.

Ka rū te ngahere.
Ka rū ngā maunga.
Ka rū ngā whare o te tāone.
Ka rū hoki te kōhanga reo nei.

The forest shakes.
The hills shake.
The buildings shake.
Everything around us shakes.

Titiro ki ngā tamariki:
kua pōkaikaha ētahi,
kua matakū ētahi,
engari ka tū māia tonu te katoa.

*Some of the children are confused
and scared,
but they are all very brave.*

Kua mahara rātau
ki te whakahonu:

Pāhake!
Hīpoki!
Pupuri!

Ka mutu koutou, tamariki mā!

Everyone remembers to be Turtle Safe:

Drop!
Cover!
Hold!

Well done, children!

Nikā a Rūaumoko e whakatā ana.

Kātahi anō tana hīkoi ka mutu—
he hīkoi roa, ā, kua ngenge aia.

Nā, tau ana aia,
mutu ana te rū whenua.

Kua āio anō te ao.
Kāti tonu!

Rūaumoko is resting.

He has just finished a long
walk and is tired.

When he stops, the
earth stops shaking
and everything is calm again.

Just as well!

“Kātahi te rū whenua roa!” te kī a Whāea Mere.
“Me piki tātau i te maunga!”

“That was a long earthquake!”
says Whāea Mere.

“We need to go up the hill.”

Nikā a Whāea Mere e kōrero ana
ki ngā tamariki mō te rū whenua.
“I ētahi wā, tamariki mā, me he rū roa,
ka puta te ngaru taitoko.
He ngaru nui tērā, ā, he tino kino hoki.”

Here is Whāea Mere talking to the
children about the earthquake.
“If there is a long or strong
earthquake, there could be a huge,
dangerous wave from the sea
called a tsunami.”

"Ki te puta mai,
tērā e kāhakina ngā whare,
tērā e kāhakina ngā motukā;
e kāhakina anō hoki pea he tāngata!
Nā reira me tūpato tātau!"

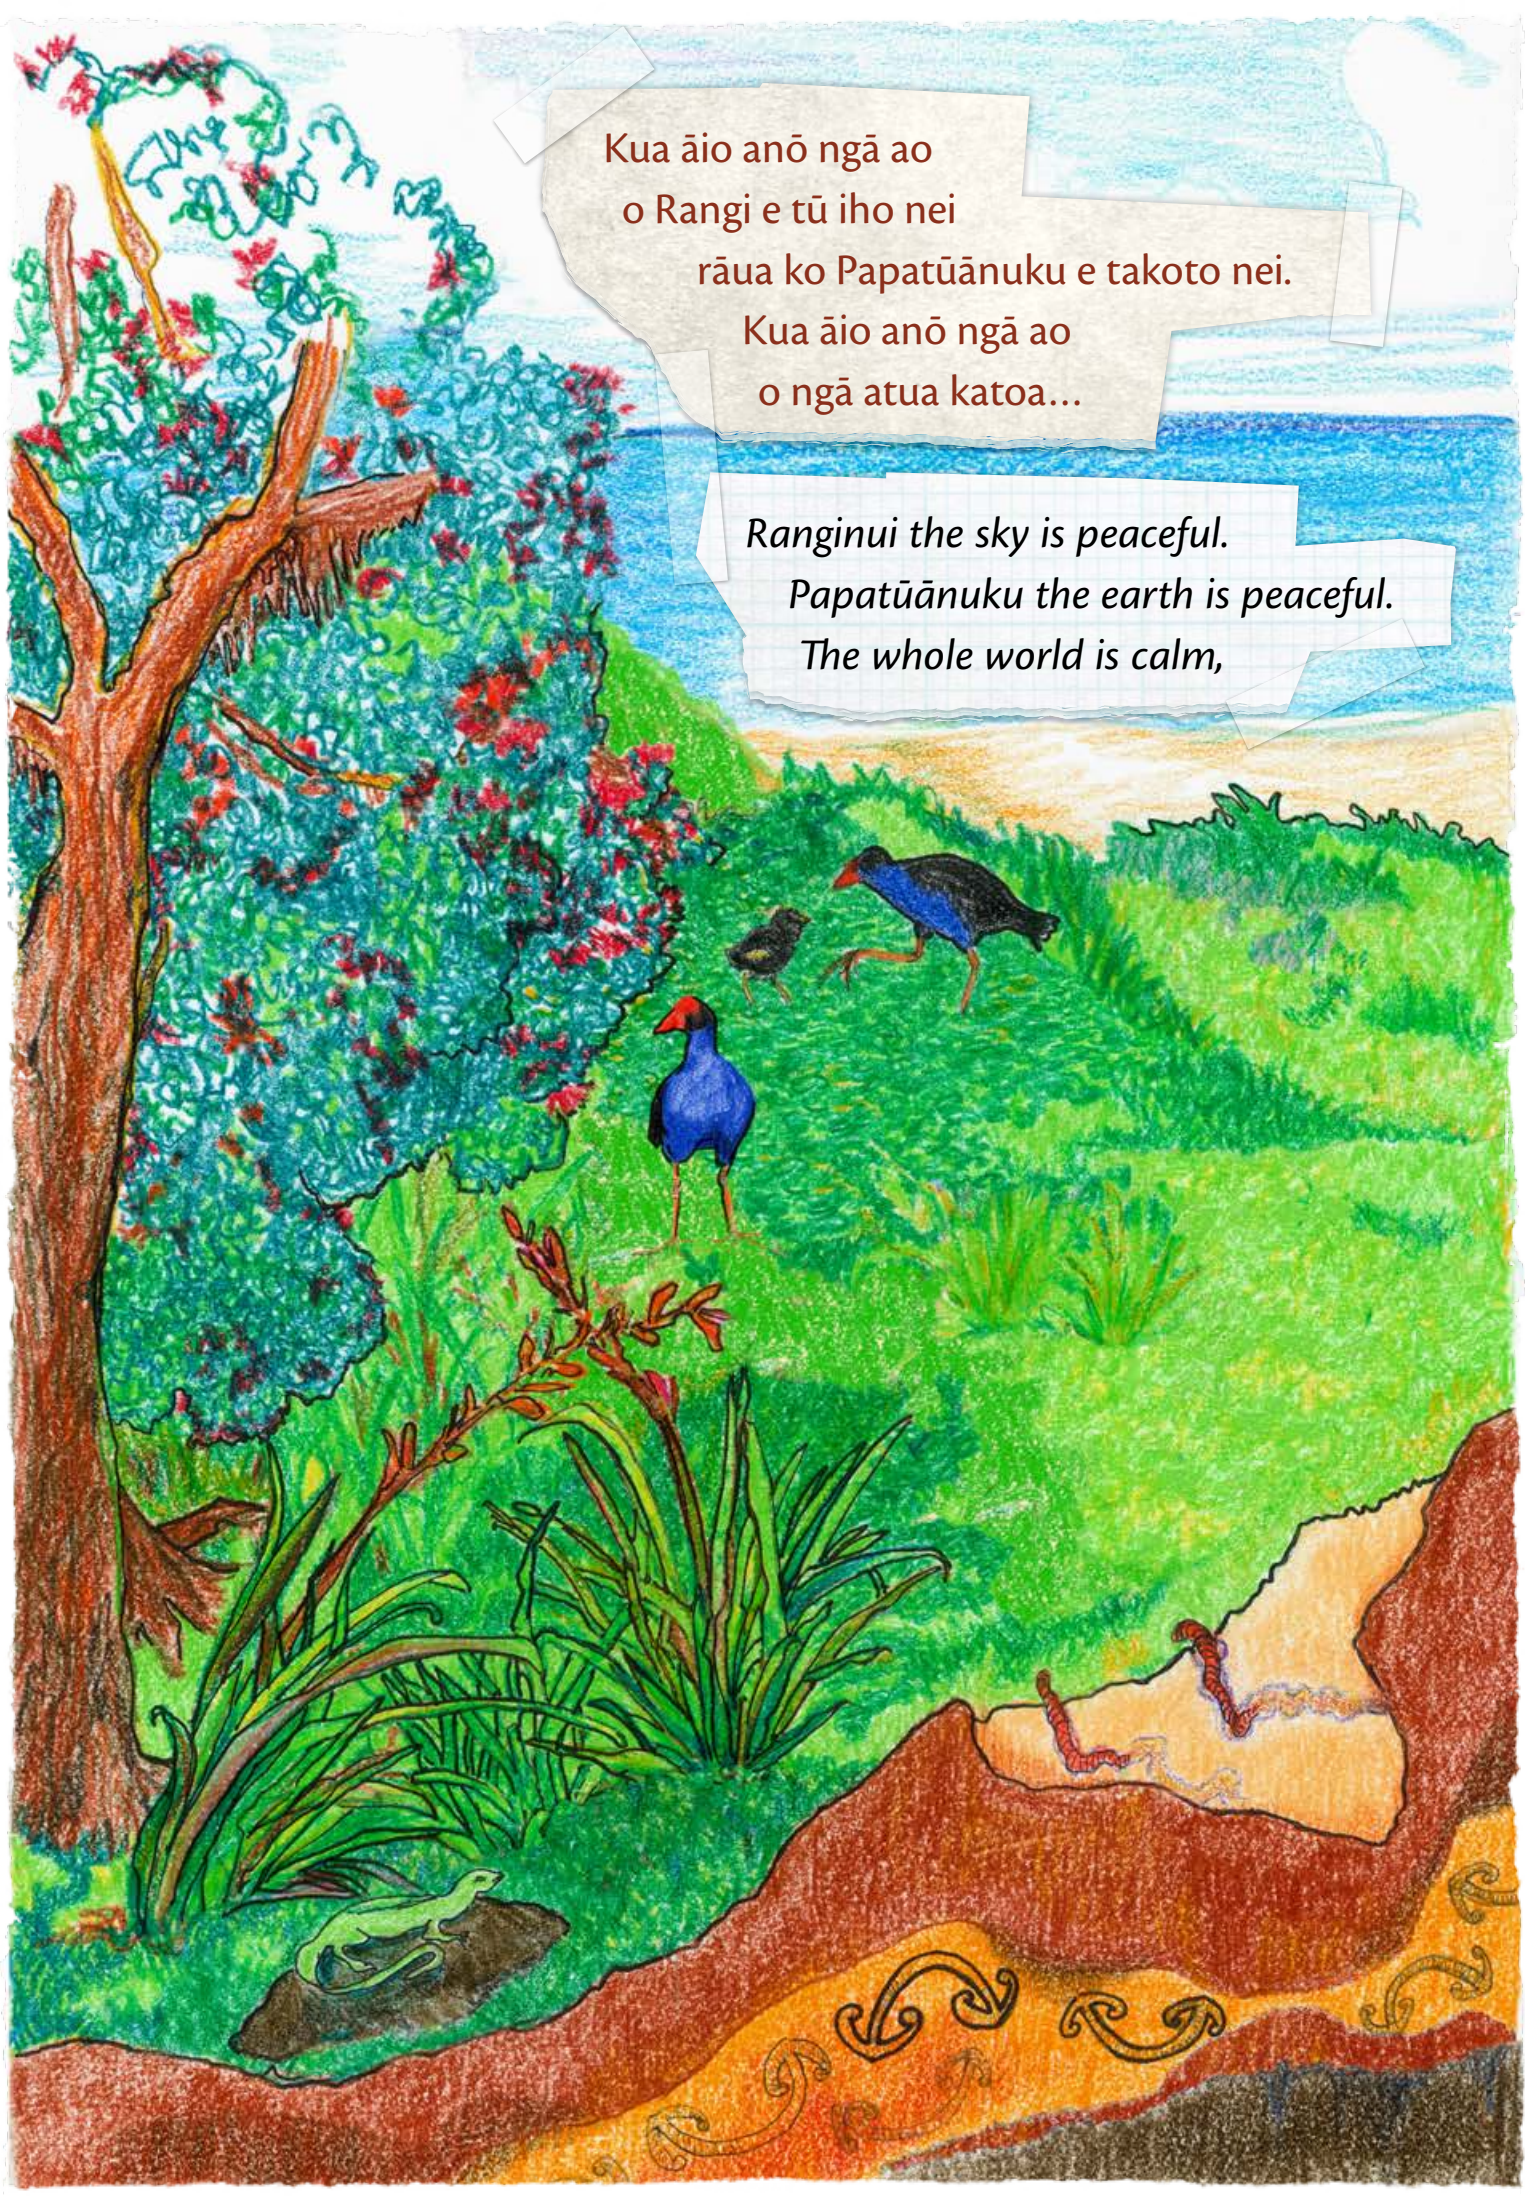

"If a tsunami comes, it can
wash away houses and
cars and even people;
so we need to keep
ourselves safe by quickly
getting as far away from
the beach as we can."

Ka kī te reo irirangi
kei te pai te moana, ā,
kāre he ngaru taitoko.
Ka hoki ngā tamariki
ki ō rātau kāinga.

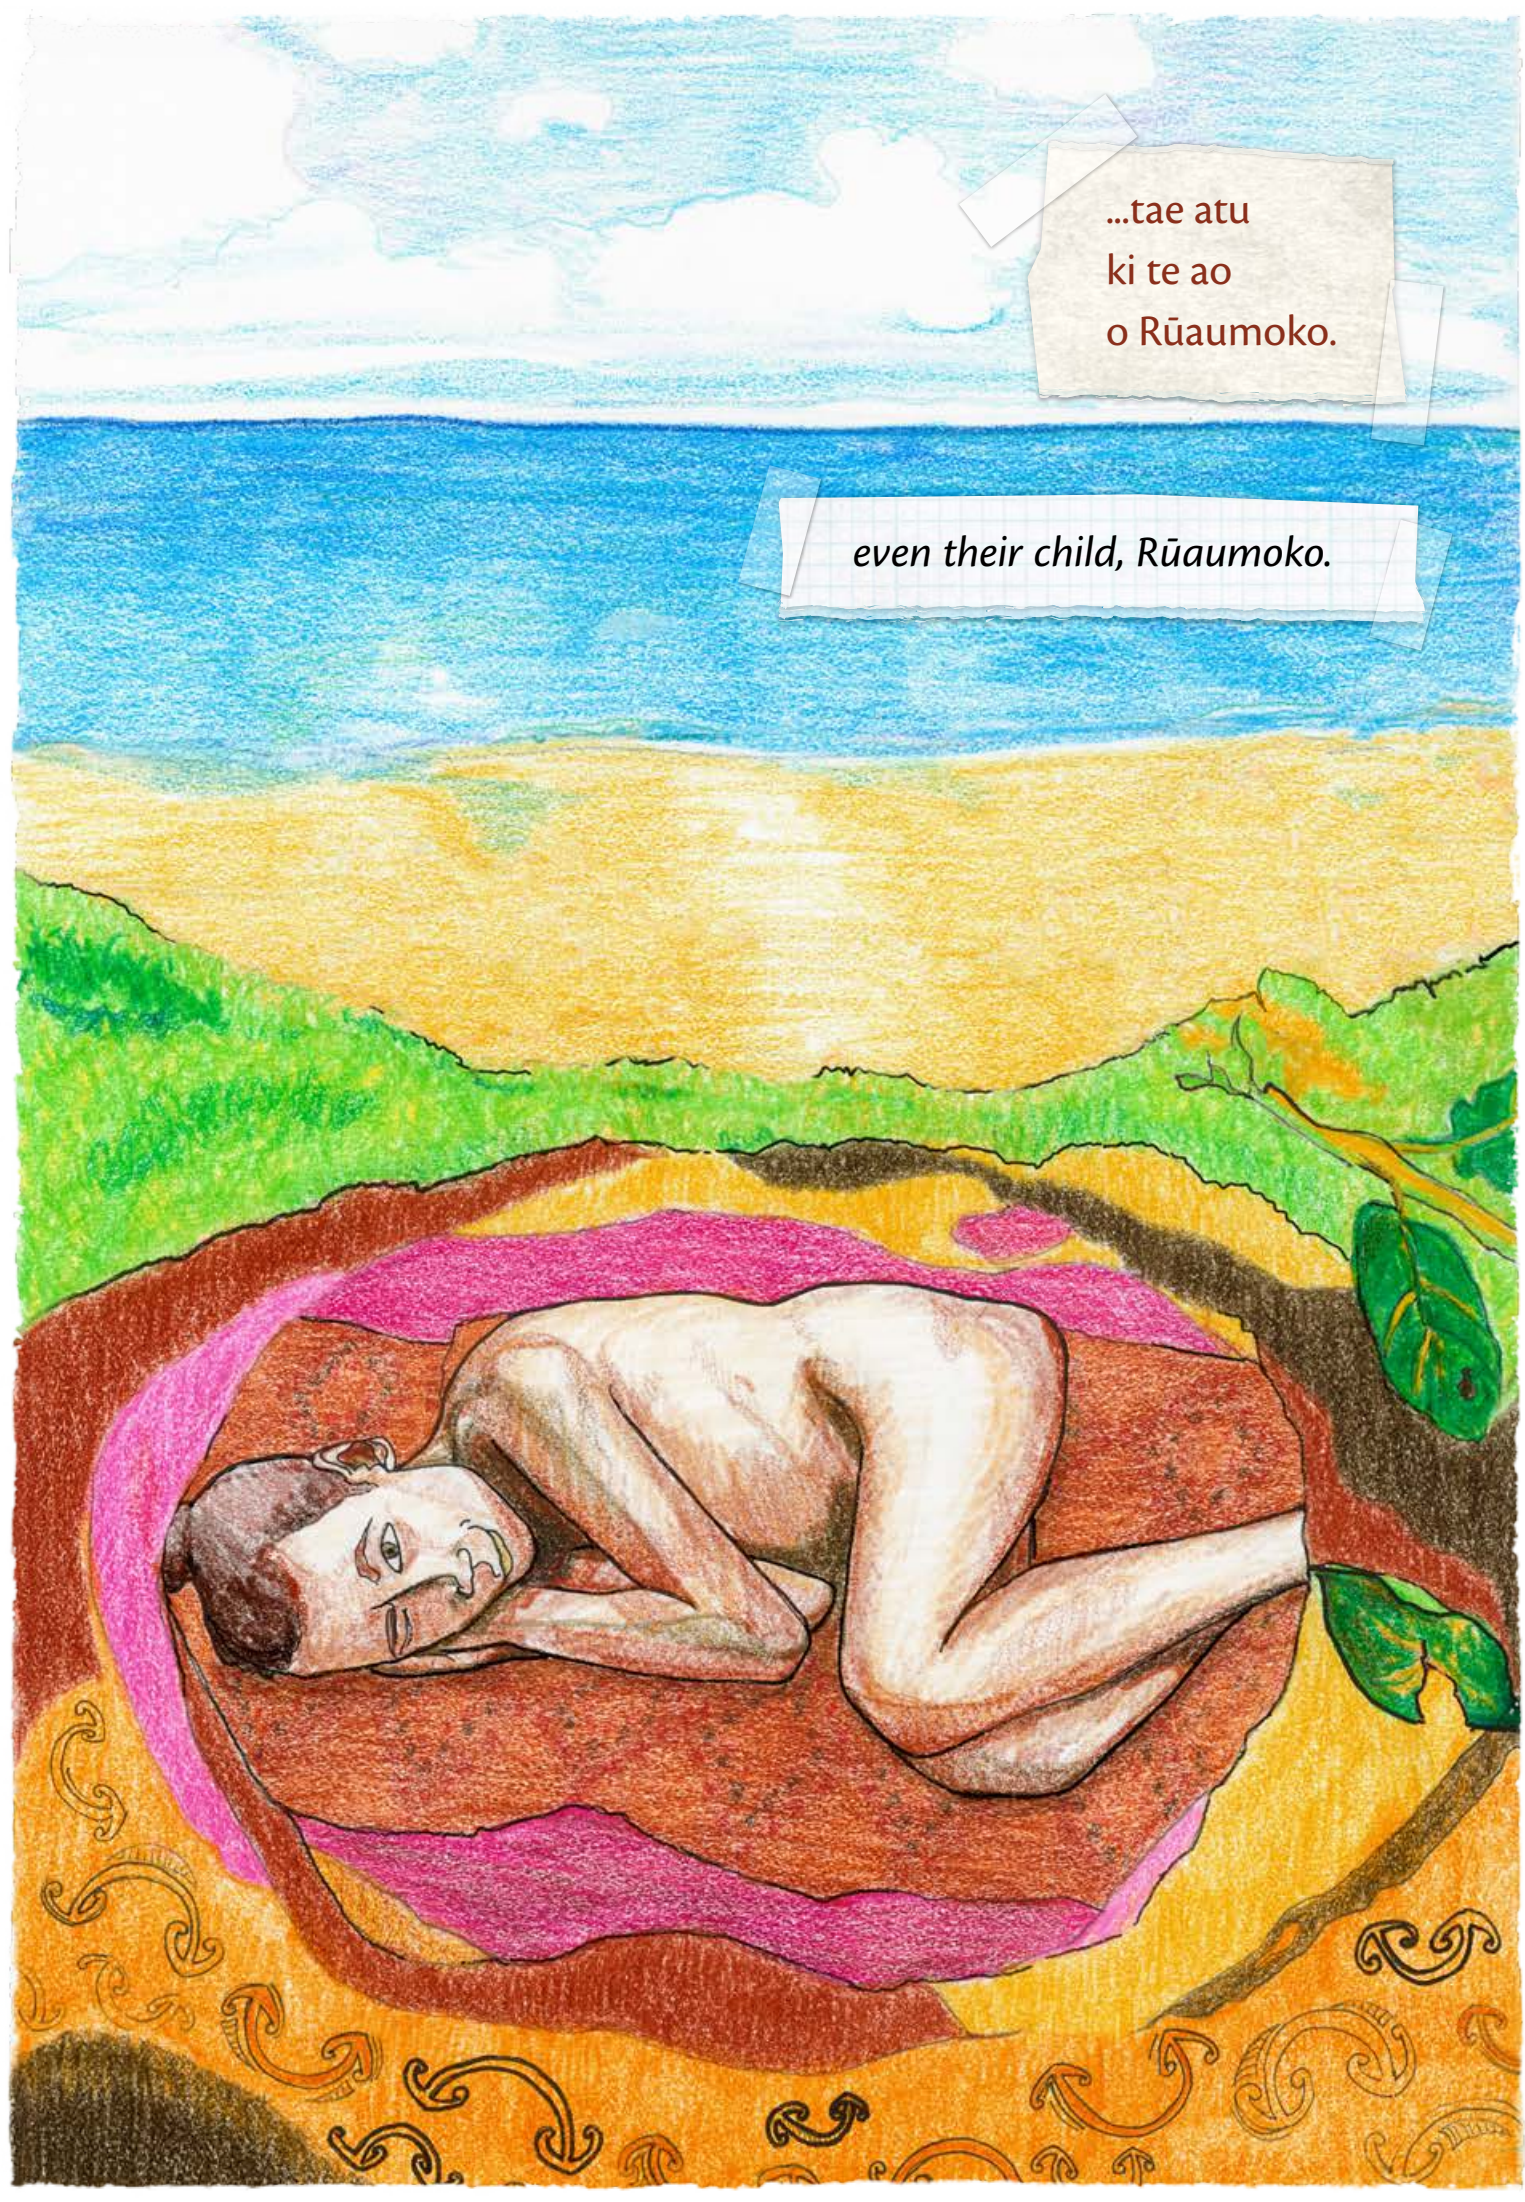

Everyone listens to
the radio, which says
that there won't be a
tsunami this time.
All of the children
can go home.

Kua āio anō ngā ao
o Rangi e tū iho nei
rāua ko Papatūānuku e takoto nei.
Kua āio anō ngā ao
o ngā atua katoa...

*Ranginui the sky is peaceful.
Papatūānuku the earth is peaceful.
The whole world is calm,*

...tae atu
ki te ao
o Rūaumoko.

even their child, Rūaumoko.

The Story

Nā Te Whatahoro Jury o Ngāti Kahungunu ki Te Wairarapa ngā kōrero mō Rūaumoko i whaitūāpapa nei te pukapuka nei a *Te Hikoi a Rūaumoko*, ā, nō Ngāti Kahungunu tonu hoki ētahi o ngā kupu i whakamahia nei i roto. Ahakoa rā, he mea tuhi te pukapuka nei mā te katoa o ngā tamariki, whānau, iwi hoki o Aotearoa nei.

Ngā kupu o Ngāti Kahungunu

aia	ia
rātau	rātou
nikā	anei
tātau	tātou
kāre	kāore

Kīwaha

Kāti tonu!

Ka mutu koutou, tamariki mā!

Whāea

Rūaumoko's Walk is based on a story of Rūaumoko told by Te Whatahoro Jury from Ngāti Kahungunu ki Te Wairarapa, and some of the te reo Māori words are from Ngāti Kahungunu. However, this story was written for the use and benefit of all people of Aotearoa.

Idiom

Just as well! What a relief!
This phrase implies that if a certain thing didn't happen then there could be a problem.

Good one/Well done children!

Mother or aunty: used as a term of respect for a teacher (modern).

Online

Video and interactive story versions

Te Hikoi a Rūaumoko/Rūaumoko's Walk is able to be viewed online both as an animated video story with voice over and music (search for the book title on google or youtube); and as a bilingual interactive e-book for a richer immersive experience at www.hbemergency.govt.nz/ruaumokos-walk-ebook/

Back-stories and cultural references

Rūaumoko's Walk has numerous back-stories and explanations to enrich the understanding for the audience, such as Moremore the shark in the first illustration - why is it there? To discover these back-stories and more, visit the interactive e-book online at www.hbemergency.govt.nz/ruaumokos-walk-ebook/ or see the teachers reference at the above URL /teachers/

MEA KA RŪ TE WHENUA

WHEN THE GROUND BEGINS TO SHAKE

Pāhake

Me pāhake iho koe ki ō ringa me ō turi (kei turakina koe e te rū). Mā te pēnei e kore ai koe e hinga, heoi anō, ka taea tonuitia e koe te neke.

Drop

Drop down onto your hands and knees (before the earthquake knocks you down). This position protects you from falling but allows you to still move if necessary.

Hīpoki

Me hīpoki tō mahunga me tō kaki (ko te katoa o tō tinana, mea ka taea) ki raro i tētahi tēpu pakari te tū. Mēnā kāre he mea pēnā e pātata atu ana, me tūturi koe ki te taha o tētahi pakitara rō whare (ki te taha rānei o tētahi taonga-ā-whare pakari te tū), ā, me hīpoki tō mahunga me tō kaki ki ō ringa.

Cover

Cover your head and neck (and your entire body if possible) under a sturdy table. If there is no shelter nearby, get down near an interior wall (or next to low-lying furniture that won't fall on you), and cover your head and neck with your arms and hands.

Pupuri

Me mau tonu koe ki tō whakaruruhau (ki taua tūturitanga rānei hei tiaki i tō mahunga me tō kaki) kia mutu rawa te rū. Kia mau tonu koe ki tō whakaruruhau mea ka whakanekehia tēnā e te rū.

Hold

Hold on to your shelter (or your position to protect your head and neck) until the shaking stops. Be prepared to move with your shelter if the shaking shifts it around.

Maunga

Mea ka nui te rū (ka uaua tō tū), mea rānei ka roa (kotahi meneti, neke atu rānei), ā, e tata ana koe ki te takutai, me tere tō haere ki te whenua teitei, ki te tuawhenua rānei.

Evacuate

If you feel a **strong** earthquake (it's hard to stand up) or a **long** earthquake (that lasts for a minute or more), and you are near the coast, then get to higher ground or go inland, quickly.
